|------------------|------------------------------------------------------------------------|
| product group    | thermal insulation for building equipment and industrial installations |
| product name     | edge strip without adhesive tape without overlap                       |
| product SGI code | 2410N                                                                  |
| product CN code  | 39211900                                                               |
| product EAN code | 5903917154871                                                          |

## TECHNICAL SPECIFICATION

|                                                        |                                                                                    |                            |       |                                 |
|--------------------------------------------------------|------------------------------------------------------------------------------------|----------------------------|-------|---------------------------------|
